cafe

It's no surprise that BMC is a hit. The family-friendly set-up is relaxed, it's opposite the beach, and there's a nifty menu for pipsqueaks who may get a surprise once they twig that 'fish goujon' is just a fancy name for 'fish finger'. Breakfast is all day, from porridge to the New Zealand Farm House Brekky, which name-checks the entire farmyard (pig, cow, sheep . . .) with Castlemaine bacon, a minute steak and a lamb cutlet. Lunch is classic: risotto, pasta, soup, and salt-and-pepper squid on a zesty salad of rocket, mango salsa and shaved parmesan. On the sweet side, don't miss the moist and zingy pistachio, zucchini and lime cake.
